JANE DOE, an individual,

Plaintiff,

v.

NEVADAPURE, LLC, a Nevada limited  
liability company doing business under the  
fictitious firm name of SHANGO LAS  
VEGAS,

Defendant.

Case No. 2:19-cv-01664-JCM-VCF

**JOINT STIPULATION AND ORDER**  
**TO STAY PROCEEDINGS FOR AN**  
**ADDITIONAL THIRTY DAYS**

**(Third Request)**

Plaintiff Jane Doe (“Plaintiff”), by and through her counsel, Melanie Hill Law PLLC, and Defendant NevadaPure, LLC dba Shango Las Vegas (“Defendant”), by and through its counsel, Kamer Zucker Abbott, stipulate and request that the Court stay these proceedings for an additional thirty (30) days, through and including September 2, 2020, in light of orders and recommendations from the Governor of Nevada to limit in-person interactions, maintain proper social distancing, and wear masks in public as non-essential business begin to resume operations during phase two of the current pandemic. In support of this Stipulation, the parties state as follows:

1           1.     The parties entered into a Stipulation and the Court entered an Order staying this  
2 case and all related deadlines for sixty (60) days on April 13, 2020 [ECF No. 23].

3           2.     The parties entered into a second Stipulation and the Court entered an Order  
4 staying this case and all related deadlines for an additional sixty (60) days on June 5, 2020 [ECF  
5 No. 29].  
6

7           3.     The Stipulations were entered into due to the COVID-19 pandemic taking place  
8 all over the world and to abide by the stay at home orders and social distancing guidelines in  
9 place at the time of the stipulations.  
10

11           4.     In the Stipulations, the parties agreed to confer about requesting an extension of  
12 the stay and file an appropriate motion to extend the stay if the pandemic had not been  
13 sufficiently suppressed. The parties have conferred and do believe an additional stay of thirty  
14 days would be beneficial prior to setting discovery deadlines in this case and would allow the  
15 parties time to further engage in informal settlement negotiations. While shut-down  
16 requirements in Nevada have eased, the pandemic is still a threat to the parties and their  
17 respective counsel's health and safety in light of orders and recommendations from the  
18 Governor of Nevada to limit in-person interactions, maintain proper social distancing, and wear  
19 masks in public as non-essential business begin to resume operations during phase two of the  
20 current pandemic wherein Governor Sisolak is currently rolling back the reopening and recently  
21 shut down bars in Clark county and other counties in Nevada and issued a mask mandate to  
22 children when they go back to school. Additionally, the Clark County School District is not  
23 reopening and is doing distance learning this Fall.  
24  
25

26           5.     As part of the Order staying this case, the parties' deadline to submit their  
27 Discovery Plan and Scheduling Order ("DPSO") was stayed for an additional sixty-seven (67)  
28

1 days until August 10, 2020 and the opposition deadlines relative to the pending motions were  
2 stayed and reset to September 2, 2020.

3  
4 6. The parties previously agreed that in the event the pandemic had been  
5 sufficiently suppressed by August 3, 2020, the parties agreed to file their DPSO within seven  
6 (7) days of the lifting of the stay setting the discovery deadlines in this case.

7  
8 7. The parties further agreed that in the event the pandemic had been sufficiently  
9 suppressed by August 3, 2020, the parties agreed that Plaintiff's Opposition deadlines be  
10 continued thirty (30) days from the date the stay is lifted to September 2, 2020.

11  
12 8. The parties also entered into a Stipulation and the Court entered an Order staying  
13 the early neutral evaluation conference in this case on April 23, 2020 [ECF No. 26] to  
14 accommodate the COVID-19 pandemic, related case Stay, and the parties request to allow them  
15 time to engage in further informal settlement discussions.

16  
17 9. In an effort to set realistic discovery deadlines due to the current pandemic, stay  
18 at home order, closures of nonessential businesses, phased reopening of nonessential businesses,  
19 and strict social distancing guidelines, and to conserve the parties' and the court's limited time  
20 and resources due to the COVID-19 pandemic, the parties sought and the Court ordered a Stay  
21 of all proceedings for sixty (60) days.

22  
23 10. As stated in the prior stipulation, the parties intend to engage in written discovery  
24 and depositions which are impacted by the closure of third-party businesses, strict social  
25 distancing guidelines, recommendations to wear masks in public, and the Defendant's reduced  
26 operations.

27  
28 11. The parties plan to conduct at least two depositions, which would require in-  
person interactions that should still be avoided at this time due to the COVID-19 pandemic and

1 the declaration of a national emergency and Nevada state of emergency to protect the health and  
2 safety of the parties and their respective counsel. Even video conferencing depositions would  
3 require at least a videographer in the same room as both the deposing attorney and the witness  
4 being deposed and the parties prefer in person depositions to allow for them to confer with their  
5 clients, if necessary, throughout the depositions.  
6

7 12. Further, at least some of the witnesses may be subject to state school and  
8 business closures and are expected to stay home at this time and/or are impacted by the closures  
9 of schools, summer camps, and childcare providers.  
10

11 13. Pursuant to their stipulation for the prior Stay, the parties have met and conferred  
12 and do believe an additional Stay of thirty (30) days is necessary so that social distancing can  
13 continue to be maintained, for the protection of the parties and their respective counsel's health  
14 and safety, and to ensure that the parties can set realistic discovery deadlines when they prepare  
15 and file their DPSO. The parties also desire to participate in an early neutral evaluation  
16 conference with social distancing that is not possible or safe at this time until more information  
17 becomes known regarding the continued reopening of businesses or tightening of restrictions on  
18 reopening due the resurgence of the COVID-19 pandemic that has been acknowledged by the  
19 revision of Nevada's Road to Recovery, amended on August 3, 2020.<sup>1</sup>  
20  
21

22 14. While the shut-down requirements in Nevada have eased, the pandemic is still a  
23 threat and in person meetings and depositions are still discouraged to allow for proper social  
24 distancing at this time. Further, social distancing with face masks is the preferred form of

1 interaction at this phase of the pandemic, which may interfere with the taking of depositions and  
2 participation in the early neutral evaluation conference. Further, Plaintiff's counsel is  
3 considered at higher risk and is taking continued precautions as restrictions are eased.  
4

5 15. In the event the pandemic has been sufficiently suppressed by September 2,  
6 2020, and social distancing is eased to allow for an early neutral evaluation conference and in  
7 person depositions to be conducted in a safe manner, the parties agree to submit their DPSO  
8 within seven (7) days of the lifting of the stay of setting forth requested discovery deadlines on  
9 or before September 9, 2020.  
10

11 16. In the event the pandemic has been sufficiently suppressed by September 2,  
12 2020, the parties agree that Plaintiff's opposition deadlines be continued thirty (30) days from  
13 the date the stay is lifted to October 2, 2020.  
14

15 17. In the event the pandemic has been sufficiently suppressed by September 2,  
16 2020, and social distancing is eased to allow for an in-person early neutral evaluation  
17 conference, the parties agree to submit a joint request within seven (7) days of the lifting of the  
18 Stay, for the early neutral evaluation conference be reset on or before September 9, 2020.  
19

20 18. In the event the pandemic has not been sufficiently suppressed by September 2,  
21 2020, the parties will further confer about requesting an extension of the stay and file an  
22 appropriate motion on or before September 9, 2020.

23 19. This request for an additional thirty (30) day Stay of proceedings is not sought  
24 for any improper purpose or other reason of delay. Rather, it is sought only to conserve the  
25 parties' and court's respective resources and efficiently yet responsibly set discovery deadlines.  
26

27 WHEREFORE, the parties respectfully request that the Court stay the proceedings in  
28 this case for the next thirty (30) days, through and including September 2, 2020. In the event

1 the pandemic has been sufficiently suppressed by September 2, 2020, the parties shall submit  
2 their Joint DPSO and joint request for the early neutral evaluation conference be reset by  
3 September 9, 2020. In the event the pandemic has not been sufficiently suppressed by  
4 September 2, 2020, the parties will further confer about requesting an extension of the Stay and  
5 file an appropriate motion on or before September 9, 2020.  
6

7 DATED this 6th day of August, 2020.

8 Respectfully submitted,
